“ I only knew Arron from buying wood from him for bonfires at Good Harbor. And yet, we developed an all-to-short friendship that I will truly miss. RIP Aaron.

“ My prayers go out to you Jessica and Josh. I worked with you dad for a number of years at Dingman's. He always had a great sense of humor and could make you laugh all the time. I always enjoyed being around him. We used to tube down the river when he lived near Shanty Creek. After tubing we would gather back at the house around the old player piano for hours.

“ My prayers go out to Jessica and Joshua. I have so many good memories of uncle Aaron it is hard to choose. I would have to say working in the woods with him. Also looking for mushrooms was always fun. Just being in the woods with him was the best. Thats where we spent a lot of time together. He was a good man with a great sense of humor. He always made people smile and laugh. He was a great uncle and I will miss him very much. P.S when he took me deer hunting I shot in the air and let the deer run by, I knew he would always say nice try we will get them next time. That was after I shot a deer I was not going to do that again. He was the best. Kim Jagoditsh
