“ From some of Joan’s friends here in TC:

Joan Lyon dear wife and best friend of her husband Randy Lyon, passed away Tuesday July 6th, after a long and courageous battle with Alzheimer’s disease, and a recent battle with Covid-19. She was 79 years old. She is survived by their daughter Jennifer and son-in-law Anton Locher, and many extended family members located in Canada.

Joan was a very kind and generous woman who spread joy and encouragement. She and Randy had a long wonderful marriage and enjoyed doing many things together, they were almost inseparable. Jenny and Anton were the center of her life, and she smiled the most during their numerous visits and holidays spent together. Joan provided comfort and love to her family and friends, and was everyone’s cheerleader. She recognized the best in people and was generous with praise.

She and Randy loved visiting Williamsburg, Virginia and several European countries, and more recently Mackinaw Island. She also loved convertible cars, bowling, their many cats through the years, and she also loved ice cream and cookies!

Joan was an excellent MahJongg player and was brave enough play the most difficult hands possible, while subtly teaching us patience and enjoying the moment with friends. She also enjoyed long car rides throughout Michigan, movies, card games and board games. Joan will be dearly missed.
