“ Betty was always a second mom to me. She had such a deep faith that I admired. Her little chuckle was contagious. Over the years I would pay her a visit, she always had some homemade wine ready to go! What a joy and honor it was to know her. Rest in Peace Dear Lady... Lenny

“ Betty was a patient at our dental office. She was funny, very matter-of-fact and an enjoyable person. I know she had a lot of allergies, but had no idea she was ill. Thoughts and prayers to her family.

“ Aunt Bettye was always so quiet, but I remember her cute giggle! I truly enjoyed visiting the family home in Traverse City when I was a child and I'm very grateful that my cousin Michele reconnected with me in recent years. My prayers go out to Michele and Bettye's sisters. Much love from the rest of the family.

“ Betty was a great friend
She was sweet, kind, careing, smart, discipline, non judgmental, trusting
Actually everything God wants us to be
I love her and it will be great to see her again.
