“ Jim, Ted, & Mike and family, Your mother was such a special and kind lady. When I took care of your dad during his radiation treatments , I was blessed by them both . Jim, I so wish I could see you for the memorial service but unfortunately, Keith & I are scheduled to be out of town that weekend. Please know how much you are all in my prayers. After losing my dad, I know how difficult losing a parent is. Hard to believe it really. I continue to think how fortunate I was, and you all were to have Godly parents loving us and being there for us! I grieve for you as I celebrate them! Love and prayers to all, Lori (Peek) Smith

“ Dear Friends of Bev Neihardt Lardie

I first met Bev about the time my family moved to TC. That was in 1950. We quickly became friends, as we both were part of the “Pot Luck” group, which consisted of members of the Pep Club or Band.

We met together before each of the home games. We have all remained friends over these many years. She was a beautiful and caring person. She will surely be missed and remembered for her many positive attributes.

After graduation, the “Pot Luck” group became the “Lunch Bunch”, and they kept in contact with most of us who had moved away.

“ Beverly and Jerry welcomed me so warmly into the "tribe" when Mike and I moved to town. Beverly introduced me to friends and family to help me connect with her extensive community. She always was interested in my art work and asked me to tell her about the paintings. She had a special gift of genuinely caring about each individual person she knew so that you felt seen and loved. I was often slow to pick up on her wry humor and she'd have to say "that was a joke!" and I think she liked that. She and Jerry gave me a garden trellis for Christmas one year. Instead of wrapping paper, they dressed it up like an old lady with a gingham apron and bonnet. The two of them were full of playfulness and love.

“ What a great memory!

James D Lardie - September 22, 2020 at 04:31 PM

“ We were very fortunate to have Bev and Jerry as neighbors when we moved in next door to them on Monroe Street. They were very welcoming, friendly and outgoing. We enjoyed our years getting to know them both as well as Dusty. They were both special people and will be missed by friends and family. Michael, Jim and Ted we are very sorry for your loss.

Perry Harmon - August 16, 2020 at 09:33 AM

“ Jim, Ted and Family,
We are sad to hear your Mom passed. In my memories she is the epitome of a lovely lady.
Amber and I ran into her a few years back while she was out walking the dog. We reminisced about times at the cottages and, a very special memory for us, when she invited us girls over to make Christmas cookies when we were very young. We talk about whenever cookie time is upon us. That memory will continue as well as the thought of that happy smile of hers. You are in our thoughts, prayers and cares! With Love, The LaForest Family

“ I first met Bev at Lake Louise, the Methodist church camp, when we were twelve and immediately liked her. Six years later and seniors in high school she welcomed me to TC from Cadillac. How wonderful to find an old friend among all those strangers. Rest in peace, Bev.

“ Sweet and gentle Bev. I knew her first many years ago as the loving and fun older sister to Joe, my brother in law. I remember what a great and loving mom she was to Mike, Ted and Jim and as a loving and supportive wife to her Jerry. I will miss her bright easy smile and sweet voice. Rest peacefully, dear Beverly. Heaven has gained a beautiful angel.
