“ To the family of Charlotte. I'm deeply sadden to read of her passing. She was a very special lady and will be missed so much. As I was sitting with my husband on Friday, she came over and I said hi Charlotte and how are you?
With her smile she said, may I sit by you and I said absolutely! So glad I had that time with her. Sending prayers as you remember the wonderful memories and all the great birthday parties.

“ Sharon, Thanks for sharing. It was frustrating by the end. Knowing how she socialized when I wasn't there is comforting.
