“ I had the opportunity to know Betty as a child and enjoyed the time my family spent with her at her home in Glen Arbor. last year Betty was kind enough to open her home to my family 30 years later, inviting us to spend a weekend with her during a summer trip to the North.

I am not interested in the politics or controversy of the Chief Justice; Betty was a caring person that expected truth and love . I am very glad my children had the opportunity to meet Betty and experience a small part of their fathers past, on the river. Our Love Joe,Tori, Isabella, Emily and Lily Beaman. RIP: Betty, Sandy, and Char.

“ I had the pleasure of working with Justice Weaver at the Court of Appeals before my retirement in 1997. She often stopped to chat and/or at least acknowledge the fact that she appreciated the work that one had done. My thoughts & prayers go out to her family. God Bless!!

“ I started working for Justice Weaver when she started her law practice at her home in Glen Arbor. She was great to work for and a great friend. She was extremely honest and kind. She was truly one of a kind and will be missed so much. Thank you, Betty, for being my friend.

“ As a young student, I remember "Miss Weaver" as substitute teacher at Glen Lake Schools. She had a way of leading then and all through her life and carrier. Thank you Chief Justice Weaver.

“ Family reunions will never be the same. There was rarely a dull moment when Betty was around. Your ethical standards are rare indeed - those who knew you knew they were real. We miss you and we love you. Carel and Joy Louise Boots

“ The July 4th Glen Arbor Kazoo Band LOVED her Star Spangled strutting in the forefront of the antics in Celebration of Freedom & Justice! She was so very real & down to earth. A young person always ?

“ Betty welcomed me to Glen Lake in December of '72 as a fellow 1st grade teacher when I was hired mid-year to to replace a teacher on maternity leave. It wasn't long after that I was helping her with her campaign for judge, going door to door with pamphlets. Her kindness and humor will be missed.

“ I worked at the Court of Appeals during Justice Weaver's last year at that Court. She really had a very friendly and giving personality. She made you feel important no matter who you were and always treated everyone with respect. I remember years later after I became an attorney and Justice Weaver was the Chief Justice, I was walking into the Hall of Justice and Justice Weaver had just finished talking to a bunch of students on the front steps. Justice Weaver stopped what she was doing and came over and said hi, remembered my name and asked how I was doing. My first thoughts were why would she remember me? I was really impressed and it just showed how much she took the time to make everyone she came into contact with feel like the most important person in the world. It was with sadness and shock I opened up the State Bar internet site this morning and noticed Justice Weaver had passed. To the family, I am sorry for your loss. Justice Weaver was one of a kind and will be missed.
