

## Dianne Sue Hall

November 14, 1960 - July 9, 2019

Dianne Sue Hall, 58, passed away on Tuesday, July 9, 2019 at Munson Medical Center surrounded by loving family.

Dianne was born on November 14, 1960 to Donald and Joanne Hall at Blodgett Hospital in Grand Rapids. She was a 1979 graduate of Ottawa Hills High School. Her passion to help the sick and injured led to her a career in nursing and she was a 1987 graduate of the Blodgett Nursing School. Immediately after graduation, Dianne moved to Elk Rapids and began working at Munson Medical Center as a registered nurse for the next 32 years. Dianne married Brian Sutter and in 1994 they adopted the light of her life, Travis. Her areas of dedicated care included medical surgery, mental health, urology, and gynecology with suspicion of cancer. Dianne's impact upon her patients and colleagues was that of leadership, her glimmering smile, contagious laugh and a tender touch.

Dianne is forever loved by her son Travis; mother Joanne Hoezee and step-father Tom Anderson; sister Denise (Jon) Heeke; brother Don (Michelle) Hoezee; step-siblings Craig, Curt, Darcee, and their families; special nephews Brandon (Amber) Darin, Paul Heeke, Sam and Joseph Hoezee; great niece Siena; great nephews Joel and Drew Darin; many special cousins; special pets Ricky the rabbit and Buddy the dog, and ex-husband but life-long friend Brian Sutter.

She is preceded in death by her father Donald Hall; step-father Harvey Hoezee; her grandparents and beloved nephew Joel.

A visitation for Dianne will be held at the Reynolds-Jonkhoff Funeral Home on the evening of Sunday, July 14 from 5-8 P.M. A funeral service will follow on Monday, July 15 at the First Presbyterian Church, Elk Rapids at noon with additional visitation beginning at 11 A.M. Pastor Sandra Murray is to officiate. Following the service, the public is invited to join the family in a picnic at the harbor gazebo, Dianne's final wish. The family would like to thank everyone who worked alongside and took care of her at Munson - It is such a great comfort that the way she was a nurse was the same way the nurses and staff took care of

her in her final days. This has been a tragic loss for us and a most difficult week, but we see so clearly God's hand at work in this. We thank all of you for your friendships with Dianne. She felt loved beyond all measure.

Those wishing to make a memorial donation may direct them to the family for the care of her beloved Travis.

“ Dianne, you were always my dearest friend. It never mattered how much time had passed between speaking, it was always as if we had never left off. I will miss you, but you will always have a special place in my heart.

“ I met Dianne as a parent advocating for her son to join our school program. Her love for Travis was evident as was her goal that he become an independent young man. Dianne was a great example to us all and she certainly raised a wonderful son. Travis, please accept my sympathy for your loss.  
Sincerely,

“ Dianne was one of those people that when you met her, you would not forget her. She was beautiful inside and out. She was an exemplary nurse demonstrating true compassion, love, joy and care. Dianne brightened a room when she would walk into it. Her contagious smile and engaging conversation would leave you blessed that

you knew her and happy your paths had crossed. Dianne, your journey on earth is done. God has called you home and can say to you "well done good and faithful servant". May God comfort those who mourn and give you peace during your pain and loss.

“ I had the privilege of working along side of Dianne for nearly 3 years. The care and love she showed her patients was sincere and overwhelming. We shared many good times, bad times and stories through the years. Her greatest love was her son, Travis. Not a day went by that she didn't talk about how proud she was of him and how much she loved him. It was a honor to have you as a friend Dianne. God bless

“ Diane was not only a neighbor, but a friend and fellow nurse, as well as a Sister in Christ.  
She had such a pure heart and loving disposition.  
The love she has for Travis was always evident. She would always light up with so much love and pride as she watched whatever he was doing.  
As a nurse, I was not able to work along side of her, but when I would find myself as an inpatient at Munson Hospital, Diane always seemed to find me; whether I was on her floor or not. She was; I think, my "Angel of Mercy" since she always seemed to appear when I most needed something and my floor nurses seemed otherwise busy caring for other patients. She was kind enough to even walk along side the surgery gurney with me since they came to take me early and my husband had not yet arrived. She promised she would find him and get him to me right away. She had a special way to put you at ease. I can only imagine how wonderful it would have been to work along side her as she cared for so many patients and their families.  
As her friends and family mourn the loss of her, I take comfort knowing that she will always be smiling down on us from heaven. As long as we hold her in our hearts and in our memories she will always be close to us. Knowing this, I pray, that this will in time comfort us all.  
May our loving God hold Diane in his loving arms and guide her to the room He has prepared for her and continue to comfort her loved ones and friends. Diane always trusted God, and I think she would want us to trust in Him as well. Though we may not always understand or question, "Trust" we should.
