“ *I used to go to Eddie G's every Sunday morning with my dad and have a bagel and cream cheese. Those are some of my favourite memories while growing up in Cedar. Eddie was always so sweet and welcoming and interested in my life. I looked forward to it every weekend. You will be missed Eddie G.*

“ *We send our most sincere condolences to Ed jr, Lisa and family on your loss of Eddie G.*
He was such a sincere man, so friendly, and certainly a great chef! We enjoyed our meals at his Roadhouse in Cedar often, and were saddened when he left. I (Judy) taught his two children at Leland High School and have fond memories of those days. May Eddie now rest in peace with our Lord.
We send our thoughts and prayers, and wishes for peace and hope,
Judy and Glenn LaCross

“ *My condolences to Ed's family. He was the chef at the Campus Inn when I worked there, and I have only happy memories of him. Always smoothing ruffled feathers, always a smile or good word. He could carry more dinners on a tray balanced on his fingertips than anyone I have ever seen. Years later I saw him up north and we had fun reminiscing. He was a charming gentleman. I am so sorry for your loss.*

“ Eddie G was a huge man with a larger than life heart. He was the kindest man I may have ever known. When i was pregnant with my first child, we worked together at the Cove in Leland and Eddie always made me sit down and rest. He didn't want me working too hard. So sweet he was. My sympathy to the family of this wonderful man. My heart goes out to you in the loss of your father. Martha Ryan
