“ Emilie has been a wonderful client at Botangles Hair Salon. All of the girls looked forward to seeing her smiling face each week. We will miss her dearly.

“ Lovingkindness, sweet, happy, positive, gentle, smiling, generous, outreaching, embracing, bouyant-Friend. Emilie and Larry and I spent time at her brother Al's Fort Meyer's home and especially his Northport log cabin on Lake Michigan. Family gatherings there, Fisher's Tavern for dinners, beach walks, listening to the breezes through the pine trees, watching sparkling lights on the waves-all wonderful nature memories. Emilie visited us in Florida, and we enjoyed talking, laughing, shopping. She generously gave of her time and abilities to the First Church of Christ, Scientist in Traverse City. She held gatherings at her home for the church families and all were welcomed. Emilie asked questions so sensitive and thoughtful that I wished I'd written them down. Emilie and I shared our memories of Camp Kohahna and Maude Beals Turner. Emilie was one of God's gifts to me and to Larry. What a keen and inquisitive friend! We treasure Emilie and her fabulous family and friends.
