“ Florence lived her life everyday with her family in her heart. She often talked of happy times with her husband Rudy, and Rude Mare Chad And Heather. Her stories always were filled with pride. Her life was further blessed when her family grew to include Cathy, Tim and lastly, her much loved Great Grandson Milo. Our thoughts are with you all during this time of sorrow, but remember her love and pride are now in your hearts forever. Donna and John

“ Florence

You shared your laughter and your smiles if only for a little while.
Your stories filled our afternoons with colors matching bright spring blooms.
Everyone you came to know became like family you would show.
Loving caring everyday asking "How are you today"?
When the morning sun came up you'd ask for your first coffee cup.
We will here your voice each day asking in your special way.
We loved the time we had with you.
I really mean it this is true.
My eyes are brown yet now their blue.
I say this from all of us to you..., Florence we all will miss you.

Rest in Peace Florence and enjoy all that heaven has to offer.
