“ Judy, Perri, Jill, Todd & Becky,

I was so saddened to hear of Hal's death. He was always so nice to me those many years ago when I visited your home and always joking that we were both from the Thumb area. He had many good qualities especially his sense of humor. Whoever wrote his obituary did a wonderful job of capturing his personality. I know you will never get over losing him but hopefully you can find comfort in all of those wonderful memories.

“ Judy, Perri, Jill, Todd and Becky,

I was saddened to hear of your loss and can't imagine your sorrow. I don't know if you remember, but I have some very fond memories of sitting around your kitchen table (Perri, Jill, Michael and Harriet) playing euchre. He was always teasing me and calling me Michael, but I gave it right back with Harriet. It makes me smile thinking of it and hope it brings a smile to you too during this difficult time.

My thoughts and prayers to all of you and your family.

Love,
Michelle Evans Fortelka

“ Dear Judy,

I am so sorry to hear about Hal, he was a wonderful man. I remember playing cards with him during work hours when I worked for him at the old Capital building downtown Flint. I am so glad that I got to see you and Hal in December when Dad passed away.

My thoughts and prayers are with you and your family.
