“

We are so saddened and sorry to hear of Jacob passing.

Laura, you may not know who I am, I am good friends with your brother Brian and his Wife, Emily. My twins, Thomas and Tristan would often play with your son Connor when we would get together on different occasions at the Wilmont's. My twins would often ask why Jacob could not get up and play. After hearing about him passing they exclaimed, "now Jacob can play and run like any other young boy, and more."

We will be praying for you and Connor, and that the Lord would give you much peace and Comfort knowing that Jacob is at the arms of Jesus.

Laura, you were and are an amazing example of a strong, unconditional loving mother and woman!!! God Bless you
