“ You will be greatly missed by both family and friends. I am glad I had to chance to meet and know you. Though we grieve losing you, we know you are in a better place and no longing in pain. And we know that we will see you again one day. May God bless us all.

“ My fondest memory of my mother was when I first became a mom and she guided me through my son's first bath. I love you mom and know that you are happy singing for the Lord.
