

## June Florence Brammer

July 8, 1930 - May 23, 2013

June Florence (Stromberg) Brammer passed away in Traverse City on May 23rd after a brief illness. June was born July 8, 1931 in Highland Park, MI to Blanche Violet Peterson of Marinette, WI and David Einar Stromberg of Malmberget, Sweden. June and her parents moved to Traverse City during her high school years where her father and his partner started Stromberg Carlson, which is still a family business in Traverse City today. She married Robert "Bob" Brammer in October 17, 1953. Bob and June have five children and they along with their spouses and 10 grandchildren and 1 great-grand child were the celebration of her life: Ruth Johnson and her husband Kris Sabel of Avon, CO, David "Dave" and his wife Angie of Malibar, FL, Mark of Buffalo, NY, Robert "Bob" Jr. and his wife Jan and Charles "Charlie" and his wife Jen all of Traverse City. June cherished her grandchildren: Katie, Kelly, Kristen, Anna, Brian, Hanna, Gunnar, Kaleigh, Emmalynn, and Owen and great grand-child Emma. Her cousin Jan DeWildt was her lifelong dearest friend.

June's devotion and passion was her family. June had a love for Broadway musicals, classic movies, sports and especially football and tennis, opera, all things Swedish, and the birds that frequented her yard. For much of her life, June enjoyed traveling, taking trips to Sweden to see her extended family there, around the country to spend time with her children and grandchildren, and to see various sporting events and Broadway shows.

Visitation for family and friends will take place Wednesday, May 29th from 6-9 PM at Reynolds Jonkoff Funeral Home. The memorial service will take place at 1:30 PM Thursday, May 30th, with visitation beginning at 1 PM also at the funeral home.

For a more lasting memorial, contributions may be made to Roundup River Ranch a Colorado camp for children with chronic and life-threatening illnesses that June was passionate about. ( PO Box 8589 Avon, CO 81620 or [www.roundupriverranch.org](http://www.roundupriverranch.org).)

“ Ruth, David, Mark, Bob and Charlie. I just learned your mother had passed away. She was a remarkable woman. We gave her fits sometimes when we wouldn't come in from playing football in the back yard or across the street when she called us in at night. Again, my thoughts are with your family.

“ Dear Bob and all of the Brammers, I just heard about your mom, and I wanted to offer my prayers from Texas. I was an annoying little kid who liked hanging around Central Grade School, and she always made your house feel open and welcome to everyone. She did a great job raising all of you, and she will be greatly missed. I'm sure you guys are all sharing great memories of her. She had a wonderful life.

“ Dear Brammer family,  
I cannot express how shocked I was to arrive at work on Friday May 24th to find out your mother had died. I had seen her and a son before leaving the hospital on Thursday and she had looked good with no apparent ill effects from the carotid procedure. I am so sorry for your loss. In the very short time I got to talk with the family it was clear you have a truly loving and caring family. I suspect your closeness will get you through this difficult time. Please accept my deepest sympathy and may God bless you all.

“ June's love and encouragement changed my world. She was very special to me as a young girl. She encouraged me to be positive, move forward and go to college, always expressing how proud she was of me along the way. I was just one child. There were many. Her memory will live in our hearts forever.

“ Over 30 years of sharing her family's life experiences with her on her trips to Denver. Family was so important. She was such a beautiful spirit. I'll never forget my 80+ father-in-law telling her at lunch, "you have the most beautiful skin." You should have seen her smile. Jane

Your mother, grandmother, and great grandmother was so sweet. I worked with June at Younkers for several years. June always was so kind and so thoughtful. Keep all the memories close.
