“ Dear Paul,

Our thoughts and prayers are with you and your family. Your Mom was a wonderful person and always so kind and welcoming to me. It is hard to lose a parent at any age, but take heart knowing she is with the angels next to God. May she RIP.

“ I remember when I was maybe 10 years old and stay with Birt and Louanne in DeWitt Michigan and got home sick. She bundled me up and took me home late at night. We camped often when my children were small with our tents and the great wagon Birt made to carry all our food stuff and cookware. I have many fond memories and will miss her.

“ To my dear friend Paul and family, I am so sorry to hear of your mom's passing. She and your dad were such wonderful people and were always so kind to me. All of us in our little circle of friends were all so blessed to have the great parents that we all had. They all had a lot to do with the way we all grew up and went on to raise our own families. What great memories we have, and it's those memories that will keep your mom close to in your heart. I will keep you and Marcia and your boys and their families in my prayers, along with the rest of the Rogers family. It's been five years since my mom passed away and I miss her every day. Sometimes I forget and catch myself saying, "I should call mom....", and I smile to myself, knowing that she probably heard me and was smiling down at me. I just saw a cardinal last Sunday on our back fence and I knew it was "mom" just coming by to say "Hello, I'm doing fine." Please know that I am here for you if you ever need to stir up some old memories of some of the crazy stuff with did back at old BHS. The rallies, the parties, the dinner Steve's parents made for our prom with you and Klnder, and the limo crash. Gosh, those were the best of times, and our parents did a great job of raising us. God Bless them all. Our deepest sympathy, Pam & Ron Jarzabkowski

“ Our deepest condolences. My father Tom will always remember Louanne as "his first baby sitter". We enjoyed reconnecting with Aunt Louanne a few years ago at the Schuette family reunion. Blessings, Holly Hillmann
