“ My favorite girl cousin. That’s what I always called her: “ Favorite Girl Cousin”. Though a decade older than I, we always got along wonderfully. Like her Mother, Ann Krol Kadzielski, Lucia could put a positive spin on anything. She also loved word play and had a quick wit. Miss her!

“ I got to know Lucia when she lived in Rochester,MN. I was her caretaker of her home and we enjoyed our time together, We laughed, we cried we had great stories for each other and when she moved to Traverse City we kept in touch by phone and mail. I was surprised when i got her Christmas card back last year and i thought, Oh she must have gone into assisted living and that she would write or call. I did some research and found out that she passed away in May 6 days before her birthday. She was a beautiful, strong and happy soul even though she had been dealing with cancer for many years. She was a true friend. As she relaxes in Heaven she has plenty of time to read all her Magazines she would get in the mail, although she maybe too busy visiting family and friends that have gone before her. I will Cherish my friendship that i had with her and will miss our occasional letters and calls. Love and Prayers to family and friends. May she RIP. Love you Lucia forever.

“ As a driver at BATA for the past 20 years, Lucia was always one of my favorite people. I had an instant connection with her, her smile was infectious. She taught me what it's like to be patient, compassionate and tenacious! She gave the best hugs. She was a true warrior woman. Rest in peace Lucia.

“ I had the privilege and honor to meet and work with Lucia when she came to South Dakota in 1978 as part of the Perinatal Project. She was dedicated, compassionate, and a dear. She was a role model for dealing with life’s adversities and would say that she wanted to deal with cancer with”grace and humor.” A true prayer warrior. Rest In Peace my friend
