“ I remember Lou, and Lavina so well. I`m so sorry to hear of the lost of Lou. I`m Linda, I took care of Lavina back in the 70's. I became close with her and Lou. You all made me feel good about taking care of Lavina. My deepest love and prayers for you at this time. Linda (Savage) Heritier. Au Gres, MI.

“ My grandma was/is an amazing person. I am from Ohio so I didn't get to see her as much as I would have love to. I know when she was in town or if I was visiting I would get really excited and hate to leave. I will never forget how if you asked her how she was she would always say "fat and Sassy" and laugh. She would love it when I would write so I wrote a poem I would love to share with you.

"Someday"

Someday I will see your face with a smile  
We will hug and embrace for awhile  
Someday I will hear your sweet laugh again  
I know where but I don't know when  
Someday I will see you walk  
And you will be able to talk  
Someday you will be able to hold me tight  
My tears will be happy because it will feel just right!

I love you grandma and I will always miss you!!!

Love always and forever,

Melissa Mae Moyers
