“ My sincere condolences to Tom and the extended Tyrell family for the loss of this special Lady. As a "youngster" growing up in the '50s/'60s, my family lived in the same neighborhood as the Tyrell family. Don and "Peg" were always more than just neighbors. To me, for a brief time, they were like second parents as they welcomed me into their home when my family was displaced by a house fire. I am confident that the kindness, consideration and steady positive "messaging" she extended to me during that time were just a few of the quality characteristics that she possessed, embraced and shared throughout her lifetime. A life well lived-to be remembered fondly. Mark Lindke”
