“ Fred and Marty Harris here. We lived next to you on Brentwood in EL. We have very fond memories of your family from those years circa '74-80. The story of someone coming to, your house inquiring if this is "Tigers" house with a paternity issue-we still laugh at that. I was reading the Traverse City paper this morning and was surprised by the fact that your parents were living in Traverse City. We have lived in Bellaire since our move from EL in '80. God bless your family!

“ Margie was very special to us in planning our Memory Garden at the Great Outdoors Church. She, Barbara and I traveled together to visit gardens and searching for all the things we would need to select, like pavers and shrubs. We missed her when she moved from our community.  
I am very sorry for your loss.  
May memories of the good years you shared together as a family comfort you at this time.

“ We are deeply sadden by the news of Margie. Our prayers are with the family at this time. Be at peace knowing she as well as George are in a better place. They are missed at the Great Outdoors. They contributed alot while here. I was one who had the privilege of working on Sundays at the church with Margie. What an inspiration she was. God Bless all of you.
