“ Elaine, Dick and boys,

Marilyn was a very special lady. I know she thought the world of you and always felt you were her family. What a great family to have. You helped her in so many ways and were always there for her no matter what. I'll never forget the night we all went to see Neil McCoy in concert. She had so much fun!! When she was feeling better, she always seemed to enjoy a good time. I know there will be a huge void in your life but I guess the thing that will help is knowing she is free of pain now, and in a very peaceful place.

Love you,
Pam and Steve
