“ Dear Brenda, Julie, Roger & Amy & Family. We are so sorry about your Mother. I have nothing but good memories of growing up, living next to your Family. We became very good friends over the many years, we lived in Hart. Your Mom was a hard worker, and a very caring Lady. We kept in touch in the later years, talking to each other at Christmas and catching up on our Families. We cherished our Friendship. She will be missed by all, who knew her. She is in GOD's care now, what an awesome place to be. I'm sure my parents were there to welcome her with open arms, to her new home. May her memories bring you all Joy, in the coming years. You are in our thoughts and prayers. May God give you the strength to get through this difficult time. With Deepest Sympathy. Love to You All. Rick & Nancy Deering
