

Murdoch "Doc" T. Campbell

March 30, 1946 - September 17, 2019

Murdoch T. Campbell, affectionately known as "Doc", passed away surrounded by his loving family on September 17, 2019. Beloved husband of Deborha for 32 years. Loving father of Katy Podolan, Margaret Campbell and Ashley Campbell. Dearest grandfather of Anna and Kathryn. He is also survived by his sister Mary, nephews John (Sheryl) and Michael (Trisha) and niece Kathy (John). Doc's strong will to live, the unwavering support of Deborha, and family and friends carried him through his final months fighting Acute Myeloid Leukemia.

Doc was born in Detroit on March 30, 1946 to John and Mary Campbell. As a teen he played the bagpipes with the St. Andrews Society. While growing up in Detroit, Doc attended Catholic school and graduated from St. David Catholic High School before attending Michigan State University where he received his B.A. in Accounting. He also received his M.B.A. from The University of New Orleans, where he later taught Accounting. Doc was a licensed Certified Public Accountant in both Michigan and Louisiana.

Doc spent most of his career working for Brown-Campbell Company, a steel fabricating and warehousing business started in 1952 by his father. He and his brother John spent many years tirelessly working to grow the company, which expanded from a single warehouse in Detroit to seven service centers across the country.

As a youth, Doc took flying lessons and enjoyed telling people that he soloed an airplane before he even had his driver's license. He continued to fly as an adult, eventually earning his commercial pilots license. To celebrate his 50th birthday he traversed the Atlantic in a single engine propeller plane. As a car enthusiast, Doc joined the Mercedes Benz Club of America and served as National President from 1986-1988.

Doc was a Mensa member and believed in lifelong learning. In his 60s he went back to school, earning a Bachelor of Arts, with honors, in German Language and Literature from Oakland University in Rochester, Michigan. He was an avid reader, always in the process

of reading one or two books at a time. Doc particularly loved biographies and history books. He had a deep appreciation for other cultures and thus travelled extensively, visiting more than 20 countries on five of the seven continents and studied German in Switzerland for a few months.

Doc was also a passionate photographer and enthusiast. You can view some of his work, which includes photographs of his many travels, at <http://www.photosbydoc.com>.

Doc also regaled his friends and family with tales from his life and travels. His enthralled audience was just one demonstration of Doc's skill at crafting a narrative. Doc's sense of humor amused everyone throughout his life, with his children often requesting stories of his childhood pranks or jokes that not only led to unending laughter but sometimes eye rolling at their ridiculousness. Doc's contagious smile and laughter will be missed.

As an expression of sympathy, memorial contributions may be sent in Doc's name, to St Jude Children's Research Hospital, 262 Danny Thomas Place, Memphis, TN 38105.

A funeral service honoring Doc will be held 11:00 a.m., with visitation starting at 10:00 a.m. on Friday, September 27, 2019 at the First English Lutheran Church, 800 Vernier Road, Grosse Pointe Woods, MI 48236. Pastor Sean Motley will officiate.

Please feel free to share your thoughts and memories with Doc's family at his tribute page, <https://www.reynolds-jonkhoff.com/obituaries/Murdoch-Doc-Campbell/>.

The family is being cared for by the Reynolds-Jonkhoff Funeral Home and Cremation Services.

“ I still miss you Doc! I have rarely met a person with such a big heart as you. It was so nice to try to improve each other's photos and to praise each other for beautiful and also artistic photos. The two months when you were in Switzerland are unforgotten. Every day after your school was out, we traveled around Switzerland taking pictures. We went to many ice hockey games together. A highlight was 2 years later when you visited me with Debi at Moore Bay Lodge and we flew in your plane over Lake Of The Wood. You have forever a place in my heart and someday we will meet again and I look forward to that. Until then, rest in peace my friend.

“ I can definitely say that Doc will be missed. He was a wonderful person with a sense of humor like no other. One particular memory we have of him, which also showed that he was no fancy pansy, was when we were at one of Anthony's baseball games. I believe one of our cars had a flat tire. Doc, dressed in a silk shirt, linen pants (I believe), and crocodile shoes, got down and dirty to change that tire! It was amazing! Everyone else stood there in awe. He was just that kind of guy.

“ Very sorry to hear of Doc's passing. He attended Camp Tosebo near Manistee, MI from 1957-1961. My first two Camp summers overlapped his last two and I remember Doc as the only camper with bagpipes! Doc also attended the first Tosebo reunion held in 2005 where he reconnected with his best friend, Jim Larsen. RIP Doc.

“ Debi, As you know Doc and you are family to me, we have shared so much together the joys and sorrows of life. My heart aches for you and the girls. Doc was such a very special person I feel blessed that Jim and I were able to have been at least a small part of your lives together. Your Forever Friend! Lynda

“ Deb and family, I am so sorry for the pain and loss you are experiencing! We always believe that we will spend the rest of our lives together and now that time is cut short. Doc had a way of brightening the days of all who knew him. The time of fighting the fight against the horrible disease, with it's pain and sorrow are now over for him and he and Denis, with their propensity for creating a fun and happy environment will brighten the time in heaven. My thoughts, prayers and love are with you, Gretchen

“ Dear Campbell Family, I was so very saddened to hear of Docs passing. My thoughts and prayers are with you all. Doc was a good kind and generous boss while I was employed at B-C Co. I enjoyed conversations, his home and company parties, and yes, I was even able to go on a flight with a few other employees to a branch party in Cleveland..I will always have much respect for the fine man and employer that Doc was. Special thoughts for Deborha who always spoke sweetly and kindly with me. Prayers for all as you celebrate the life of this good man and mourn his passing.

“ What a wonderful, brilliant, funny, creative, generous, talented, amazing cousin whom I will miss the rest of my life. What a gift your life has been in all of our lives, and our world has been so much better with you in it. Here's to meeting again on the other side, and thank you for just being you. May Deborha and your girls be comforted by all those of us who have loved you. Your cousin, Judy

“ I was so sorry to learn of Doc's death. He and Allen are most likely exchanging flying stories now in that big sky hangar. His plane was hangared next to ours at Detroit City Airport and Allen talked Doc into coming to the CAC meetings where he met other aviation enthusiasts. He was always upbeat and had good stories to share. I wish I could be there but now that I reside in Colorado and no longer fly I will be there in thoughts of you Debbie and of your family. My condolences. Terry Edwards

“ Miss you Doc. So glad you walked into the vet clinic in Bellaire. So weird cuz we went to the same high school. Les and I loved our 1 day adventure trips with you and Deb. Thanks for all your support, during MSU FOOTBALL AND BASKETBALL GAMES, especially when Les was hiding under the sheets,he thought he was a jinx. Totally respect how you handled this whole cancer thing. With total humor and kindness. It was you that helped STATE win and MICHIGAN lose. So bad. GO STATE IN your Honor

“ Doc was a dear neighbor from my childhood and one of the first intellectually open people I met in this life. His curiosity and love of learning shaped my academic and professional existence deeply. I was always amazed at his mind and the many wheels that seemed to turn in his brain spaces.

Doc was also kind and generous, taking me up in my first ever small aircraft after learning that I loved playing flight simulator games on my computer. His was a genuine and good soul.

Doc, wherever you are now, thank you for everything.

“ Some Memories of Doc ...

- > Going to the Gilmore Car Museum - what a wonderful day and time shared together. A long day of great car collections and sharing of "Life Events", continuing through dinner that evening. I drove back from Kalamazoo that night while Doc slept, endeavoring to keep his corvette under 90 mph?
- > Flying into Mackinac Island for lunch, then over Torch Lake on our way back home.
- > Waving as he putted out on the 9th green at Hawks Eye Golf Course.
- > Sharing an ice cream at the "Campbell's" Lake Bellaire Summer Social.
- > Riding in your '62 corvette.

AND

- > His favorite Traverse City Cherry Whiskey Manhattan's!

About a month ago as Gail and I met with Doc and Deborah to say our good byes, I was telling Doc how much he meant to me and how much I admired him, "You are the most intelligent, compassionate, fun loving and giving man I have ever known"... Doc, waving his hand as an orchestra conductor would - and with a smile on his face - said, "More, more". That was Doc to the end.

In the brief time that I knew you, you made my life so much richer, enjoyable and fuller.

My tears are heavy.

“ I met your dad about 6 or 7 years ago we were doing something about a cell phone
He impressed me as a very honest and congenial man
I met him again 2 to 3 years ago during a fund raiser for someone who had just lost his wife
and was in need
I know for a fact that he had never met this person but he was the first person to show up
at my door with a substantial
Contribution for this man
Right then I knew he was a man among men He didn't even know him I kept in touch with
him over the years and I could see that my impressions of him were spot on I know he was
a man among men When I heard of his passing I prayed so hard for him and then realized
he was already in the arms of the lord zone of the finest men I ever knew and he will be
miss by many Doc you were so special Rest In Peace

“ Ralph and I are so sorry for your and your family's loss. It was our honor and a great
pleasure to know Doc, and work with him on occasion. Many blessings to you and
your family during this difficult time.

“ This is a loss for all who knew him as no one could meet Doc and not be better off.

“ I'm so sorry to hear about Doc's passing. He was a friend of the family, and I knew him when I was a child, but I had the wonderful gift of getting to know him again, as an adult through Facebook. He was always so funny and quick witted and very insightful about his views of life and the world. When my own father died last year, Doc told me several anecdotes about the shenanigans he and my dad got themselves into back in the day. Some I had heard before and some I hadn't. If only more people on this earth had the joy for life and sense of humor that Doc did, the world would be a much better place. Take comfort in the wonderful memories you have of him. He will be greatly missed. <3 (also posted on the obituary site).

“ I worked with Doc for years when he and Deborah were involved in condominium management in northern mi. He was one of my favorite people who always made me laugh about many difficult situations and he and Deborah were some of the kindest people Ive ever met. I know this will be a difficult time for the entire family but I know soon they will hear his laughter in their hearts and minds and it will take away some tears. He was loved and will be missed.

“ May be I haven't met you, but surely you are a father of a great loving daughter. Katy I am deeply sorry for your loss. It is very hard to accept the loss of a loved one. May God be with you and your family during these moments.

“ Doc you will always be in our heart and thoughts. Kathy and I have very fond memories of our two recent trips with you and Deborha in Africa and Peru. We had mutual interests in corvettes, guitar and traveling. Your charm, smile and personality will be sadly missed by us and I am sure with all that had the privilege of knowing you.. Safe journey home my friend and know your love is present for all that knew you.
