

Nicholas "Nick" Bean

August 30, 1994 - April 23, 2021

TRAVERSE CITY, MI – Nicholas “Nick” Roger Bean, left this world to be with the Lord on Friday, April 23, 2021.

Born a “Yooper” with an adventurous spirit, Nick had a genuine passion for the outdoors. He enjoyed fishing, camping, four-wheeling, kayaking, playing tennis and golf, hiking, snowboarding, and snowmobiling. Nick was a life-long movie buff, whom also enjoyed watching documentaries and history programs because he loved to learn. Above all else, Nick loved his mother. She was his rock.

Nick always kept his family and friends laughing. He was witty, intelligent, and had a lot of random knowledge to share. Nick graduated from Traverse City Central High School in 2013 and briefly attended Northern Michigan University alongside his sister. Nick discovered a passion for customer service. He worked a variety of jobs over the years, but particularly enjoyed his employment at Boyne Mountain Resort.

Nick is survived by his father Roger Bean and sister Clarissa Bean both of Marquette, MI, his mother Lisa (Tim) Schaub and step-sister Jamie of Traverse City, and Jenna Schaub of Holland. He is also survived by Uncles Alan Bean, Rob and Chris Tuisku, as well as many cousins.

Preceded in death were grandparents Robert “Bob” and Marilyn Tuisku, Robert “Bob” and Mary Bean, uncle David Bean, and cherished dogs Alex and Niko.

The family invites friends to visit Thursday, April 29th, 2021 from 5-7pm at St. Patrick Catholic Church in Traverse City. The Rosary will be prayed at 7pm.

A Mass will take place at St. Patrick’s on Friday, April 30th at 1pm with visitation one hour prior. Rev. Greg McCallum will officiate.

With heartfelt gratitude, the family would like to recognize John Galbraith and all who

cared for, mentored, counseled and supported Nick throughout his life.

In lieu of flowers, please consider remembering Nick by making a contribution to The Phoenix House in Calumet, MI.

Condolences and memories can be shared with Nick's family on his tribute page at www.reynolds-jonkoff.com.

“ I met your wonderful son through my daughter Emmy.
He was such a loving young man. Emmy only picks the best!
I will always remember his true being after Emmys dad passed away.
He stepped right in at her dads memorial and took care of her. He knew just what she needed. How blessed were we all.
Thank you Nick for touching our lives. You were unique.
Go have a chat with Jim... he would love it
Hugs

“ Although we lost touch as adults, Nick was one of my favorite people in middle school and high school. He was my first real boyfriend, and he was such a perfect gentleman. Always had such a positive attitude, witty sense of humor, and was able to lift the spirits of everyone around him. He will be terribly missed, I’m thinking of his family during this hard time

“ This truly saddens my heart. I only got to know him for a short time but I really liked Nick. I thought he was a fine young man. He was always polite and respectful towards everyone around him. I had the pleasure of teaching him to play Backgammon and we played many a game of it together. We had a lot of fun. I truly will miss Nick and will always remember him and his smile. I'm so sorry for your loss. I will miss him.

“ Heaven gained one heck of a guy, Nick and I became friends in middle school and I can't remember ever having a dull moment. although life took us on separate paths after high school Nick was always chipper and gave positive energy wherever he was. “ Nick is one of my oldest and dearest friends of 12 years. Whether near or far, our friendship has always been the same. A representation of loyalty that all friendships should have. My heart is broken, although I am in relief for his peace. I will forever cherish our long talks about life, the laughter, and the unwavering dedication to our friendship. I love you forever, Nick.

“ Nick was one of my good friends throughout middle school and the early years of high school, and he'll be extremely missed. Although we grew apart over the years, I look back fondly on the time in my life when Nick was such a kind, loving friend to me. Nick was there for me and treated me like a true friend during some tough points in my life and I'll be forever grateful for that.

There are too many memories to share of Nick, but I'll choose to remember him as the smiling, compassionate face sitting across the bonfire at 3am — never complaining or speaking ill of anyone, and always there for you when you needed him, or just a ride home in his truck.

Rest easy, Nick - I'll miss you.

“ Nick had such a contagious smile. He didn't have all the answers, but he always seemed to enjoy the process of living. Condolences to the entire Bean family; nothing about this tragic situation makes any sense.
