

Nicholas Anthony Mills

November 29, 1986 - August 3, 2017

Nicholas Anthony Mills, 30, of Traverse City, passed away August 3, 2017.

Nick was born in Fort Leonard Wood, Missouri to Laurie Greenman and George Mills, on November 29, 1986.

In 2004 Nicholas graduated from West Senior High. From the very beginning Nick was the trend setter, the friend maker and the social butterfly. He encouraged his friends and family to see the beauty in all things. He was the free spirit, the man with the personality, the magnet that we were all drawn to, and the absolute fashionista. He was his mom's little brown eyed boy and best pal.

His curiosities took him many places to live, but he always knew that home was where his momma was. Nicholas was exceptional in the hospitality field and notably became your best friend before you left after meeting him.

He enjoyed brisk walks with Woody, Thor the family dogs all holidays, but coined Christmas as a favorite. The entire family was together, and Thanksgiving would not be complete if not for his mom's fruit salad. He would call the bowl before it even got served. Nick was the light of the gathering and there will be a void in the hearts of all whom knew him.

Nicholas is survived and missed dearly by his mom and step dad Todd, his father, George, his siblings Chad, Samantha, Ashley and Brandon, his grandparents, Charles and Alice Wood, his aunts and uncles; Claudette (Steven), Andrew, Robert (Tamara), Paula (Daniel), James (Brenda), Kelly (Jeff), Vincent (Heather), John (Michelle), Ida (Dan), Craig (Anna), Lisa (Sid), Marc (Janet), Sabrina (Bryan) and Rodney (Tiffany), nieces and nephews; Anthony, Jayden, Lillian, Sasha, Avaya and Abella. He is also survived and missed by several cousins and many friends.

He is preceded in death by his grandparents, Dorothy and Claude Greenman and his cousins, Holli and Travis Greenman and Victor jr Willams.

Visitation will take place August 8, 2017 from 5-7pm at the Reynolds-Jonkhoff Funeral Home. A funeral service will take place August 9, 2017 at 11:00am, also at the funeral home with visitation one hour prior. Nicholas's final resting place will be Oakwood Cemetery.

“ Sometimes there aren't the right amount of words to say to explain the immense love you have for someone. Nick was special, he was the sunlight in every room and his presence was always known. I always held Nick close to my heart because he would share his deepest thoughts with me and he would always rely on me for encouragement. I loved Nick so much, I was his pretty girl and he was my pretty boy. He will surely be missed, but I will carry his memory with me every day. Condolences to his family through this trying time. I'll be thinking of you.

“ I am so shocked and saddened of Nick's passing. We shared the same Grandmother in St. Croix where he spent his early years. He called me Aunty because I was older than him and we reconnected a few years ago via Facebook. I spoke to him in June when he said he would be coming to Fort Lauderdale and would call me. Unfortunately, we did not get to connect.... He was always humorous and playful. Rest in peace Nicholas.

“ Nick spent sometime in St Croix with our grandmother that we shared, Mrs Julia Mills. She would tell me all the time 'Sandy I don't know what to do with this little boy hair you know. I gonna chop it all off.' We would both laugh as he screamed, 'you not gonna chop my hair off Granny'. I know our Granny is smiling now as she and him see each together now in Heaven

“ I don't know why you're gone, but I do know that I miss you. You smile could brighten any room and working with you was so much fun. You were literally the easiest person in history to train as a server... you are loved and missed by more than I'm sure you even imagined. RIP and fly high with the angels!

“ Nick was one of the nicest people I had ever known. I first met him on the bus my first year of jr high. I will never forget his smile and his love that he showed everyone. So much love sent your way Lori. - Brittany Nolff-Shoaff
