Eunice and family

I am so saddened at Rick's passing

What a great man and friend he was.

He was loved by all of his Canadian car family

I am so thankful I got to do Louisville with him a few years ago

Memories I will cherish my entire life

I wish the border was opened so we could attend but unfortunately it is not.

Our hearts will be with you.

My life is better for having known Rick

Sending love and hugs from Canada

In our thoughts and prayers Eunice.

I am Debbies nephew Todd and I didn't know Jim's brother but I heard many stories over the last couple of months. Jim couldn't wait for his brother to come to Florida and see his new house and spend some quality time with him. I feel like I have known him for years the way Jim talked about him. I am very sorry for your families loss prayers for y'all in this difficult time. Uncle Jim please hang in there along with the rest of the family y'all have Lisa and I prayers.
