“ This is not Goodbye, this is just until we meet again.”
Grandpa Hulbert

Grandpa, the time we shared was few and far between
But I hope you knew that it didn't mean
that you weren't always in my heart.

I can remember the times in the U.P.
when you hid coins on me and made us share,
but most of all I witnessed how much you truly cared!

We would watch Indiana Jones, play dress up and Battleship,
Put together puzzles had sleepovers, But most of all
we were able to develop an everlasting relationship.

Between Grandfather and Granddaughter, you were the best
We shared lots of hugs and kisses, so many memories
that I feel incredibly blessed!

So even though I didn't get the chance to say Goodbye,
Your lasting Love and Memory remain
in each and every tear I cry.

I love you Grandpa and you will always be in my heart <3

“ Farewell Richard.....You were always the athletic, tall, dark and handsome guy that
all of us Elk Rapids High School teenage girls dreamed of being carried away with on
a white horse! Lucky Kathleen, she was your chosen mate and we are all thinking of
her at this tender, sad time. The Class of 1959 will always remember you when we
gather together again and what an all round guy you were. Kindest regards to your
family Richard, you will be remembered in our prayers.

Sincerely, Barbara Weber Class of 1959

“ I have had the honor and privilege to not only design and build Kathy and Dans landscape but to also call them friends. When I presented them with my plan Kathy was so excited. Dick, not so much, he looked at her after hearing the cost and said "Is this what you want". Kathy smiled and said yes. He turned to me and said when can you start. He only cared about Kathy's happiness and always did. Everytime I would see them it was if they were off on another adventure, always in love. My prayers are with you Kathy and your family. I have been so blessed to have the both of you in my life.
