

Ruth Alice Moll

January 1, 1931 - June 6, 2015

TRAVERSE CITY – Ruth Alice Moll, 84, of Traverse City, passed away on June 6, 2015 at Munson Medical Center with her husband of 65 years, John, and her family by her side.

Ruth was born on January 1, 1931 in Reivesville, WV to the late Albert and Geraldine (Calvert) Corwin. After high school, Ruth found employment as a secretary for a wholesale appliance company. It is there that she met the love of her life and future husband John. She spent the majority of her working years as the executive secretary for the Lamphere School District from which she retired in 1990.

Ruth will be remembered first and foremost as someone who loved the Lord, her Savior. Ruth knew that she was going to heaven and told her family that it was okay...she would see them again. She embodied a spirit of love and caring and made friends easily. She was very social and was always involved in a game of cards or marbles with her friends at Bay Ridge. Ruth loved to shop and was known as a 'fashionista', often times bringing home multiple items because she just wasn't able to decide which one she should purchase. Ruth was very health conscious, loved to cook and often could be heard reminding everyone "have you washed your hands"? She loved her cat "Callie" who also senses the loss of Ruth.

Ruth is survived by her husband John, daughter Christine, son Kevin (Dianne) and grandchildren Phillip Moll, Matthew Moll and Haley Moll. She was preceded in death by her parents.

A memorial service will be held for Ruth on Wednesday, June 17th at 1 pm, at Bethlehem Lutheran Church in Lewiston, MI. Memorial contributions may be direct to Bethlehem Lutheran Church, 3805 County Road 612.

“ I will always remember Ruth to be smiling and having that sublime, calm, sensitive voice even when showing her sharp wit. Growing up on Connecticut Street in Royal Oak with Chris and Kevin I remember your family as always happy and with a cat(I wanted a cat so badly but couldn't; Boots helped me get through that.) Ruth was always sweet and kind to me and everyone around her for the almost 60 years that I can remember knowing her. She and John helped Mr. and Mrs. Les Cameron(another family in our RO neighborhood) through many difficult days when Les had ALS for many years. Many people will have Ruth living in them and thus keeping her alive. After all we are not bodies with a soul; we are souls that use our body while on earth. Peace to your family from our family. ps. nice picture of Ruth - I always told her she never ages because every time I saw her she looked beautiful and always as young as the previous visit.
