“ I recently learned of the passing of Sue from a friend in Traverse City. I knew Sue from Glen Lake High School as she was 2 grades behind me. Sue was always friendly and had a quick and broad smile. I moved from the area, but returned in 1990 for 7 years before moving back to Tucson, AZ. At that time I re-acquainted with Sue through mutual friend Patsy. Sue was one of the sweetest girls I have known. I am sorry for the loss for her family and friends, but know she is shrouded in love by Jesus.

“ Sue and I met while she was shopping at Diversions, where I work. We connected immediately. Same age, she has the same name as my niece, etc. I so enjoyed knowing her, and often wondered how she was doing. God love her. Be in peace, Sue.

“ My condolences to Sarah and the McClain family upon Sue’s passing. Sue and I were acquainted with each other many years ago at Glen Lake H.S. where we, though not classmates, were fellow band members. I always admired and enjoyed her intelligence, quick-wittedness and amusing sense of humor. Within the past few years we had become reacquainted to some degree through Facebook.

You have my heartfelt sympathy and will be remembered in prayer.

“ I am John's sister, Cindy Seward, to the family of Sue:

We have known each other for many years as family and am greatly sorrowed at Sue death. Sue was a good heartful person and fought her cancer for years. It is a shame that she could not be with us for many years to come. We will miss her dearly.
