

Skylar Light

September 21, 2000 - May 17, 2022

Skylar Shaye Light, 21, became an angel on May 17, 2022. She was born in Traverse City, September 21, 2000 to Brian and Wendy (Carlson) Light.

Skylar graduated Traverse City Central's class of 2018. She will be remembered as being funny and full of life; a kind-hearted and sweet person. She loved her family and had a special bond with both of her parents.

Skylar loved to travel and especially enjoyed her trips to Disney and Universal Studios. Harry Potter was an absolute favorite of hers. On several occasions, Skylar was able to go to concerts which she enjoyed very much. She also loved movies. She worked at Sephora and enjoyed her coworkers as well as working with customers.

Being that Skylar was an animal lover, she completed a veterinary assistant course through NMC. She was a very artistic and creative person.

Skylar leaves behind both her parents; grandmother Marie Carlson; aunts and uncles Deb, Wade, and Shane Carlson, Loralyn Light (David Parks), Claudia Light, Leslie Light and Zack Light (Jan Gasnik) and cousins Reese, Hailey, Lindsey and Hanna.

She was preceded in death by grandparents Wilfred "Pete" Carlson and Jack and Joan Light; uncle Phil Carlson and cousins Acacia and Ashley.

A memorial service for Skylar will be held Thursday, June 2, 11:00AM, at Bethlehem Lutheran Church, Traverse City. Visitation will begin at 10:00AM and continue until the time of service.

“Skylar was the sweetest human I have ever had the pleasure to call friend. She taught me so much about life, love & of course makeup ✨ I will miss eating all the chips at Agave then regretting it when our food comes & just laughing for hours. I remember the last time I was with Skylar I went home and thought about how happy I was to have such a good friend like her, she had a heart of gold not only for me but for my daughter as well. Life will never be the same without you Princess Skylar 💕🦋
Love you forever. Xoxo.

“My sweet niece Skylar was a joy to be with on those special occasions when I was back visiting family while on vacation in the summer. When Skylar was little and I had her and her cousin Hanna for the day, we would spend time at the beach and then have to stop at Don's Drive In for burgers, fries and shakes. When I was lucky enough to have Skylar to myself, we would laugh and make the most of our time together.

Wendy and Brian raised a beautiful, kind and respectful woman who would treat all with kindness and respect. Well mannered, she was a lady and soft spoken with that lovely smile. I was blessed to have her as my niece. She will always be remembered for her sweetness and it is my firm faith in my Lord and Savior Jesus, that I will see Skylar again and it will be a true celebration to hold her and laugh again. No tears in heaven.

“Skylar was my daughter Christina's very best & truest friends! When we first moved to Traverse City, Skylar invited Christina to her birthday party and a forever friendship was born. All during school and beyond graduation, Skylar; Amaia; and Christina were always spending fun times together...constant giggles and laughs! Birthday parties and movies & bonfires, times at the fair; Cherry Festival; and haunted houses, great memories and great best-friendships! Skylar was always there showing her love and support for her friends. Skylar was a very sweet and kind-hearted soul...always smiling and looking at the simple and beautiful things of life like butterflies and flowers and animals. Thank you Skylar for being beautiful & sweet-hearted you! May your spirit and soul rest in eternal peace. (Sondra Witkoske.....Christina B's mom)

“Wendy and Brian. I am so sorry for the loss of your sweet beautiful girl. I always loved when Skylar and Alyssa would spend time together both so soft spoken and quiet but yet had a smile that would melt anyones heart. Skylark was one girl who always held a piece of my heart even after her and Alyssa didn't go to the same school together anymore. I am truly heartbroken as I feel like I lost one of my own girls. Please know that our family is thinking of you. Sending many prayers and lots of love and hugs to you both. Fly high beautiful Angel Heaven gained one beautiful soul 💕💕💕
