“ Momma, almost a year has passed and I still can't believe you are not here. I pick up the phone more often than not to talk to you and share crazy things happening, knowing full well you won't answer. I can't drive by your work and it's hard for me to go into anywhere you and I were together. It truly is like my life ended when yours did. You were my world, my everything and without you it has been the hardest thing I have ever had to do. They say life will go on, but I'm not sure that is true. Dad and I are hanging on to each other pretty tight, you ran the ship you know, so this is all new for us. No one can ever know how amazing you were more than me and dad and I talk about how lucky we are that you were with us and now how lucky we are you are watching over us from heaven, still, there are times when we both want you back here, we know you are in that red dress, dancing up a storm in heaven and for that we are grateful. I love you so much momma and look forward to seeing you again. This is only good bye for a little while.

“ I have nothing but the best things ever to say about the Yacht. My Aunt--she was always about fun-she drove me home more than once. I will miss you more than you will know. Not only have you touched my life-but my kids lives too. Oh you were taken before we were ready.

“ I had the good fortune to work with Susan through her position at Manufax Inc. She was always polite, accurate and a joy to talk with. I will miss hearing her voice!

“ I can't say enough wonderful things about my sister, Suzie. We were partners-in-crime for sure. We had so many fun times together, right Sue? Remember all the fun times at our favorite video poker machines, and you were the family's go-to-girl for our numbers, and you were always there to listen to all my problems and to help so many times which I have thanked God for you as my sister every day and night. We had So much fun playing cards and just being together with all of our family, So Many good times. I always thank God and Momma and Daddy for getting together years ago and having all of us seven kids. and bringing us up with so much love and closeness and caring for each other. Oh my Sweet, fun-Loving sister, Sue... you will be missed terribly by all of your family. But I know you are with Momma and Daddy and Donnie, and Eileen, and Jack, and Grace and Hank , and Jesus has you wrapped in his arms now forever. I LOVE YOU Sis..and Oh How I will Miss You..

“ I miss Aunt Susie more than I can say. She was my Aunt but more than that, she was my friend. I will always remember all of the fun times we had with our family. We had so many laughs. Spending time with Aunt Susie was something I always looked forward to. She was an intelligent woman with a keen business sense. She was kind and caring. She was someone that enjoyed life and those around her. She made the most of each day. So many times we would be laughing so hard that she would have to take her glasses off to wipe the tears from her eyes. She was a one-of-a-kind person who shined brightly with positive energy. She will be missed tremendously.

“ Bill & Rose ~ Russ just read this is the RE tonight. We didn't know your sister, but know "she must have been from strong stock, knowing her brother". We will be sending a memorial to the Cherryland Humane Society.

“ Such a shock and very saddened to hear about Sue's passing. I worked with her at Empire Bank and have so many fond memories of her. Her smile and laughter would light up a room and she was so much fun to be around. My prayers are with the family, especially Rose, whom I also worked closed with at Empire Bank and Sue's brother, Bill. Marie Zapf-Taylor
