

Taylor Ann Maria Dornoff

September 1, 1990 - March 1, 2019

Taylor Ann Maria Dornoff finished her earthly journey with her broken body on March 1, 2019 and now is made whole in the arms of her precious Savior, Jesus. She is the loving daughter of her daddy Michael Dornoff whom she had wrapped around her little finger, and her mom Becky Dornoff of Williamsburg. She is survived by her brothers; Jay, Derrick, Brett, Ray, Patrick, Ben, Joey and Christopher as well as her sisters; Dawn Amanda, Linda, Katey, Danielle, Felicia, Jin So, Molly and Destiny. She is also survived a grandmother, grandfather, uncles, aunts, nephews, nieces, cousins and her biological grandfather and his wife.

She was preceded in death by her sister Shantell and her brothers; Mikey, Dominic and Joshua.

Although she was 28 years, she was damaged as a baby leading to severe seizures, physical limitations and an infant like functioning level. Despite all of these challenges, she was a ray of sunshine touching so many lives including her family, friends, Life Skill Center, Grand Traverse Industries, the medical community, her church and the community in general. Her sweet personality and winning smile challenged those closest to her to make the world a better place, like she did. Her last act of Taylor Ann being such an amazing person was to give the gift of life to a number of people through the various organ donations.

Good Bye Taylor Ann, we will miss you so much but you will live on in our hearts and memories.

A memorial service will take place in the spring time, when the flowers are blooming and the birds are singing just as Taylor Ann would love. The service time and date will be announced at a later time.

Please visit www.reynolds-jonkhoff.com to share your memories with the family on Taylor Ann's tribute page.

The family is being cared for by the Reynolds Jonkhoff Funeral Home and Cremation Services.

Michael and Becky,

I happened to see this about Taylor Ann today and want to send my condolences and prayers to you. I remember many PT sessions with Taylor Ann, occasionally laughing at what we were doing :) You have been such wonderful parents to her and all of your children and I'm sure she is putting in a good word for you now. I can only imagine what it is like for her to have a whole healthy body and soul in the Lord's presence! May she rest in peace and may you be filled with comfort and love as you grieve her.
