

William "Bill" Vieracker

May 14, 1964 - February 12, 2022

William "Bill" Vieracker, 57, born on May 14, 1964 to Carol (Knopf) and the late Richard Vieracker; passed away February 23, 2022 with his mother on the phone surrounded by his coworkers and found family in Laredo Texas.

Bill was a 1982 graduate of Kalkaska High School. His passion was in heavy-duty mechanics. He spent his life working around semi trucks as a driver, dispatcher, and finally landing in Laredo Texas where he managed a mechanic garage at Dispatch Border Services. He loved to be on the road and turned his ideals of a lazy Sunday drive into a lifestyle and livelihood.

Although Bill had struggles with his health from birth, he never allowed that to slow the pace of life. He truly could do anything that he set his mind to. He was a good man, a hard worker and a friend to both people and animals.

He is survived and missed by his mother Carol Vieracker, brothers Bob and Rich (Candy), his daughter Kathryn, four nieces, and four nephews.

He is preceded in death by his father, Richard Vieracker, and grandparents.

A funeral service will take place on Saturday March 12, 2022 at 11:00am at Trinity Lutheran Church with a visitation from 10-11am. Bill's final resting place will be Grand Traverse Memorial Gardens.

Those wishing an expression of sympathy may consider a donation to Trinity Lutheran Church or a charity of one's choice.

Bill and his family are being cared for by the Reynolds Jonkhoff Funeral Home.

LW

“ I was blessed to have spent many hours sitting and visiting with Bill having treatments at Envita. I loved his sense of humor and hearing his love of fine foods.. such as “Frosted Flakes “, and “Toranados” from the local gas station. He was always working from his phone as we sat there having infusions. Bill loved his country and was a true patriot and no nonsense kind of guy. I only knew Bill for two months, but He made a big impact on my life and I am so grateful I got to know him in this life.

“ I came to know Bill during our time together at Envita Medical in AZ in 2021. He kept the staff & patients laughing with his stories and playful comments. I'm so thankful I had the chance to get to know him, and that we could laugh together during such a trying time in both our lives. Bill had a great attitude- always strolling in with his beloved Starbucks in hand, and he continued to work hard even through his treatment (an admirable feat). A strong man with a kind heart. I was so shocked and saddened to hear of his unexpected passing. I think of him every day, and will smile in memory of him each time I see an iced Starbucks coffee. Sending so much love to his family & friends- Bill was truly one of a kind. Rest in peace my friend. If they serve ham in Heaven, make sure you check the expiration date first ;-)
